Event No. 1 : Plastic Waste Management and Alternative use of Plastic

Date : 18.05.2024

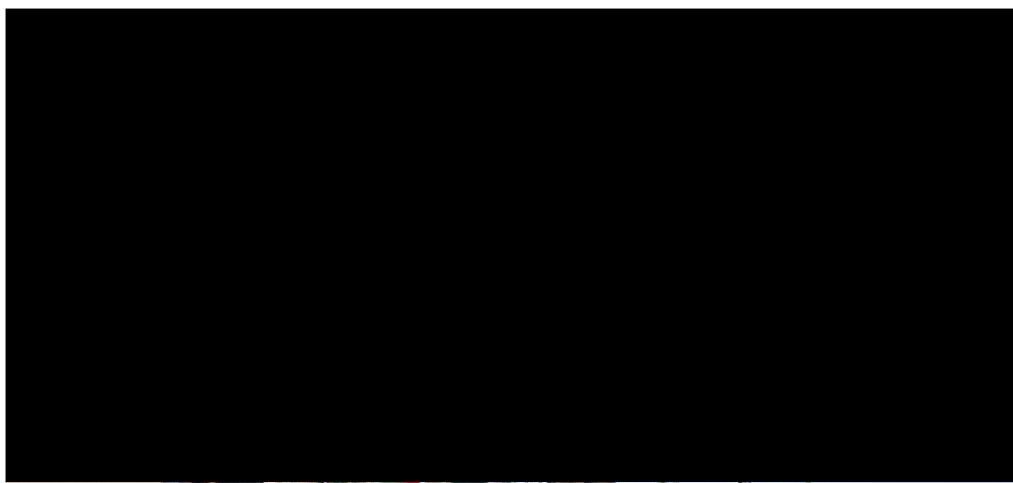

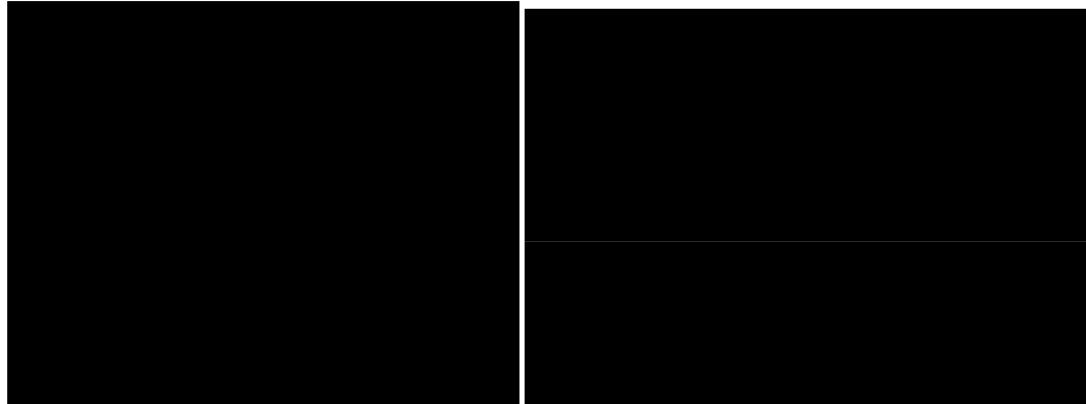

On May 18, 2024, the Youth Red Cross (YRC) unit of Salem Sowdeswari College organized a significant event focused on Plastic Waste Management and Alternative Use of Plastic. The event was held in collaboration with the National Cadet Corps (NCC) within the college campus. The Principal Incharge and Correspondent were present to grace the occasion. The primary objective of the event was to raise awareness about the importance of managing plastic waste and exploring alternative uses for plastic. As part of the event, the YRC team led a campus cleaning drive to ensure the premises were free from plastic waste. Through their efforts, the team successfully made the ground plastic-free. During the event, the YRC team also took the opportunity to advise students and staff on the alternative uses of plastic, promoting sustainable practices. This initiative aimed to foster a sense of responsibility among the college community towards the environment. The event concluded with a heightened awareness among participants about the need for proper plastic waste management. The collaboration between YRC and NCC was key to the event's success. Students actively participated in the cleaning drive and learned about the importance of reducing plastic use. The event was well-received, and the college community appreciated the efforts of the organizing team. By promoting eco-friendly practices, the event contributed to a cleaner and greener campus. Overall, the event was a resounding success in achieving its objectives. The initiative set a positive example for other colleges and communities to follow.
