SALEM SOWDESWARI COLLEGE (FOR WOMEN)

SALEM - 636010

QUIZ CLUB 2025-2026

Coordinator of the Quiz Club, which outlines a systematic, multi-level competition plan.

This structure is designed to:

- Encourage consistent newspaper reading habits.
- Enhance students' awareness of current events at the local, national, and international levels.
- Provide a competitive yet collaborative platform for participants. Identify and groom talented students to represent their department at the institutional level.

Proposed Structure of the Competition

The quiz competition will be conducted in multiple phases as outlined below:

1. Preliminary Round – Intradepartmental

Five groups have already been formed for daily newspaper reading.

The preliminary round will be conducted separately within each group to ensure maximum participation of students.

From each group, the top two scorers will be selected to form a team, resulting in five teams moving forward to the next round.

2. Quarterfinal Round – Intradepartmental

The quarterfinal round will be conducted between the five teams (one from each newspaper reading group).

A single winning team will be selected based on their performance to represent their year in the next round.

3. Semifinal Round – Intradepartmental

The semifinal will be held among the winners of the first, second, and third-year competitions within each department.

The best-performing team from each department will qualify for the final round.
